Dear Pastor,

Thank you for taking the time to consider the ministry of Evangelist David Maynard. I have known Bro. David and his dear wife Berita for over 20 years. I have been impressed with the consistency of their Christian testimony and single-hearted desire to be a blessing and help to pastors and churches across America. Before becoming his Pastor I have used Bro. Maynard on numerous occasions in my former pastorate for revivals, banquets and special services. I have always found him to be gracious, submissive to the desires of the pastor and a help to my church.

Having been a pastor for many years Bro. Maynard understands the heart of a pastor and the needs of the local church. He is both a soul winner and an able expositor and preacher of God's Word. He and his wife will go the extra mile to be a help to you. I have no hesitation in recommending Bro. Maynard for revivals, evangelistic meetings, mission's conferences, family conferences, youth meetings, or to fill the pulpit.

Pastor, if you choose to use Evangelist David Maynard I do not believe you will be disappointed. Please feel free to contact me if you have any questions or concerns.
